

## PRICING GUIDE

**We want you to understand how monuments are priced, but after 60 years of building monuments our job is to make this as easy as possible. Feel free to read everything here and call to clarify any questions. If at any point you feel overwhelmed or would like us to help please don't hesitate to call 318-925-9695 for Keithville or 318-949-2854 for Haughton.**

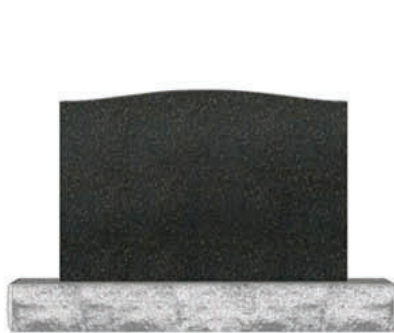

Many variables affect the price of a granite memorial, such as the size of the marker and type of granite used. Upgrades like adding photos or emblems, decorative bronze inlays, etc. will add to the cost of your memorial.

Before we can provide you with an accurate quote, there are 4 main decisions that need to be made:

**1. What Type of Granite Memorial?**

- Flat marker, upright monument, bench, slant, pet, etc?

**Serp Top**

**Heart**

**MT20**

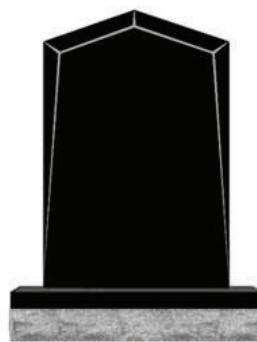

**Wings**

**Tear Drop**

**Cross**

**RT08**

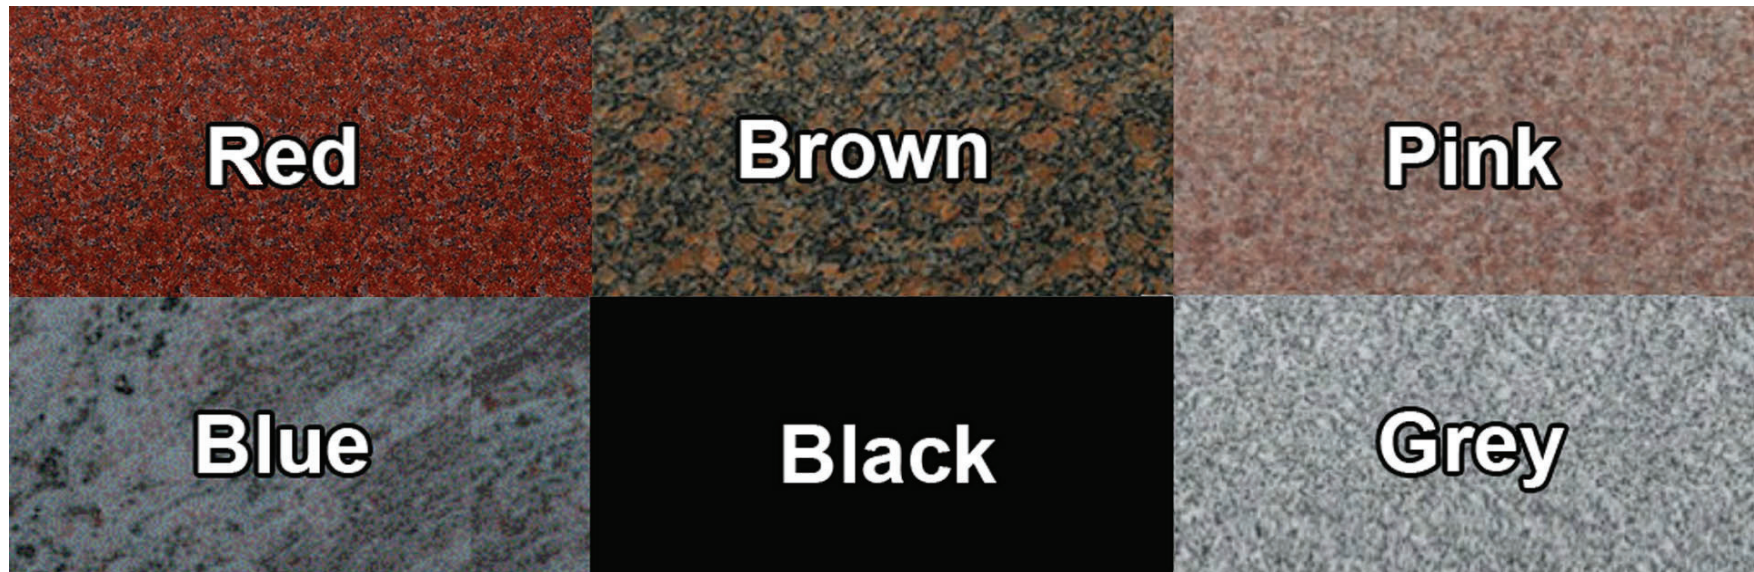

**Wave**

## 2. What Size of Granite Memorial?

- Are there cemetery (or space) requirements regarding length, width or height?
- Are you looking for a monument for one person or will there be other names on this memorial?
- Will this memorial cover just one grave or more than one grave?

## 3. What Color of Granite Memorial?

- We offer only the highest quality memorial grade granite from around the world.

## 4. What kind of Design or Engraving details do you want to include?

- The name, dates, text and artistic elements that make the memorial unique

## Our process:

Once we know the size, type of granite, amount of polished surfaces and the shape and type of design you want we can give you an accurate price. We also do proofs like below to show you exactly what your memorial will look like. Our artist will then convert to vector for engraving and you sign the vector proof to ensure no spelling mistakes are made. Once engraved we will call to set up delivery.
